CLOVERLEAF NURSERY

JOHN H. PAYNE, PROPRIETOR

SMALL FRUITS A SPECIALTY

THREE OAKS, MICHIGAN

INSTRUCTIONS TO PURCHASERS

HOW TO SHIP. We ship all packages too large for parcel post by express. Where postage does not accompany order plants will be shipped C. O. D. for postage. Allow 5 cents to have parcels insured. Freight is too slow for strawberry plants.

ORDER EARLY. The earlier the better. This insures getting your order filled without substitution or delay. We mail acknowledgements of orders on receipt of same. If you don't receive yours, write us. Shipping season from March 20 to May 15. All cane plants should be shipped on or before May 1, especially raspberries

REFERENCE. E. K. Warren & Co., Incorporated (A State Bank) Three Oaks, Michigan.

GUARANTEE. Should any stock prove not true to name, we will either return purchase money or replace with true to name stock. It is mutually agreed that we are not to be responsible for more than the first cost of plants. Remember, we do not take growers' chances and in no way be responsible for loss caused by drought, insects, mistreatment, etc. We guarantee plants to be in live growing condition when received. Bundles or crates damaged in transit will be replaced upon signed receipt from carriers' agent stating amount of damage.

TERMS. Cash with order or one-fourth of amount will book orders, balance before shipment. Will ship C. O. D. to responsible parties. Remit by Check, Bank Draft, Registered Letter or Post Office Money Order.

Our Motto: HONESTY - QUALITY - SERVICE.

Twenty-first Year.

Certificate of Nursery Inspection accompanies each order.

Strawberries.

- DUNLAP** (Per.) Early. Large red berries with excellent flavor. Considered the best variety for shipping and canning.
- PREMIER** (Per.) Early. Large, red fancy fruit which commands high prices. Good shipper and seller.
- DR. BURRILL** (Per.) Early. Large red cone shaped berries, well flavored. Good canner and shipper.
- GIBSON** (Per.) Midseason. One of the best commercial berry of today that bears very heavy. Large red berries with a good flavor.
- EATON** (Per.) Midseason. This variety bears very heavy and is a good commercial strawberry. Fruit is very large.
- COOPER** (Per.) Medium early. Large red berries and very attractive. Excellent for table use.
- CORSICAN** (Per.) Midseason. This variety bears large sweet berries and is often classed as the best table berry on the market.
- AROMA** (Per.) Late. Heavy bearer of large fruit; a very good market berry. This variety is in greater demand every year.
- PEARL** (Per.) Late. A new variety introduced only a few years ago. Medium size plants, good bearer, large delicious fruit, good shipper.
- PROGRESSIVE** (Per.) Everbearing. Bears a good quality of bright red fruit that is easily disposed of at high prices.
- CHAMPION** (Per.) Everbearing. A very excellent table berry. Fruit is large, red and with a delicious flavor.
- MASTODON** (Per.) Everbearing. This is the largest everbearing variety of today. Very prolific. Large plants with heavy foliage. Heavy bearer from June until freezing weather. Very profitable to raise.

BITTER ROOT (Per.) A new variety just out. Similar to Mastodon; very prolific. Produces large red sweet berries, red clear through. A wonderful variety for home use.

Black Raspberries.

KANSAS Early. A heavy producer and a good shipper because it is first on the market. Fruit is jet black.

PLUM FARMER Medium early. A very attractive Raspberry of large fancy fruit and considered a good money maker.

CUMBERLAND Midseason. This is considered the best variety for commercial use. Fruit is large and makes a very good canner.

GREGG Late. The best late variety on the market. Bears very heavy and makes a good canner and shipper.

Red Raspberries.

KING Early. The leading variety for commercial use. Very prolific; forms good picking rows and yields heavy.

CUTHBERT A good late variety for home use. Nice large fancy fruit with a good flavor. Excellent for canning and table use.

VICTORY A new late variety that sells well and considered one of the best for canning and home uses.

ST. REGIS A good early variety and also bears during late summer and fall. Sweet, rich flavored fruit.

LATHAM Large berry; very prolific, and a worth while home berry to set

Blackberries. [These varieties do not have to be protected from frost.]

EARLY HARVEST Early. Very attractive fruit, jet black, good canner and shipper.

ELDORADO Large, good canner and shipper. Very popular throughout the fruit belt.
